

Madre Tierra

Natural Homes & Finishes

About Madre Tierra

Madre Tierra is a Natural Building company based in Costa Rica that focuses on conceptualizing and creating spaces that comfort and inspire its inhabitants. We promote healthy living by designing and building with natural materials. ***Our main ingredients: bamboo, clay, lime, sand, straw, and wood.*** We accompany you along the process of creating a healthy, long-lasting, and beautiful home.

Natural materials. Traditional techniques. Modern twist.
